

November 10, 2015

Dear Friends,

The Twins' Mothers Club of Bergen County (TMCofBC) is proud to announce its 56<sup>th</sup> Annual Charity Event at the Terrace at Biagio's Ristorante in Paramus on Wednesday, May 11, 2016. This event attracts nearly **200** people from the Bergen County area each year in support of a great cause – this year we've selected **The Children's Cardiomyopathy Foundation**.

Each year we hold a tricky tray raffle, and our success is based ENTIRELY on the generosity of the businesses and families that support us year after year. Because times are tight, we are more excited than ever to raise money for this year's charity, **The Children's Cardiomyopathy Foundation**. The Children's Cardiomyopathy Foundation (CCF) is a national, non-profit organization focused on pediatric cardiomyopathy – a chronic and potentially life-threatening heart disease. Often under diagnosed, cardiomyopathy is the leading cause of sudden deaths and heart transplants in children under the age of 18. TMCofBC is pleased that our efforts will provide desperately needed funds to help CCF continue to be an invaluable lifeline to affected families providing information, resources and guidance.

As you may have guessed by now, we are seeking donations! Any gift – products, trips, tickets to sporting events or shows, merchandise, services, gift certificates, or monetary donations – will ensure our success. The Twins' Mothers Club of Bergen County maintains its 501(c)(3) non-profit tax exempt classification as a group exempt subordinate of the National Organization of Mothers of Twins Clubs, Inc. **Your generosity will be recognized in the event program and on our website and the value of your gift is tax deductible.**

Please take the time to look over the enclosed donation page. If you have any questions, please feel free to contact either of us, and we will be happy to help. Thank you in advance for your support. We look forward to working with you as our club continues to grow and provide service and support to our community.

Sincerely,

***Amanda Lupino***
